

8

Simple reasons to choose a SAP Cloud ERP solution delivered by Navigator

1

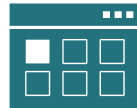

One complete business suite, delivered in the cloud, and built from the ground up to connect your entire company

2

Clear, simple, monthly pricing per user that won't increase over the life of your contract

3

High-touch, rapid implementation with the most successful SAP partner

4

Embedded "best practice" business processes ready to use right out of the box

Embedded analytics throughout the entire solution delivered right out of the box

5

24/7 Support to match your needs

6

New features—without new fees—four times a year

7

Scalable from 5-1,000 users without a new contract
